- 3.6. All players need to indicate their availability in the tournament registration. Players can only indicate one group moment of non-availability. There is no guarantee that the draw can take the availability into account. Players must be available on their planned round robin phase. Non availability is equal to Forfait (= Walk Over non excusé) if the matches are planned on days with indicated availability.
- 3.7. All players need to be available all Saturday or Sunday for the final round. If not available, players may not enter the tournament. Absence due to availability in the final round results in a Forfait.
- 3.8. If the maximum of registrations is reached, the organization will reject registrations based on the lowest Belgian Padel Tour* teamranking.

*For the first tournament the ranking position of the AFP and Padel Tour ranking Tennis Vlaanderen will be taken into account. If a player has a ranking in both, AFP and TV, the highest ranking is taken into account.

*If a player without Belgian Padel Tour Ranking wants to enter tournament 2/3/4/5 Padel Belgium can keep 4 teams to offer a wild-card.

- 3.9. A Belgian Padel Tour counts as an official tournament for the maximum restriction in the regional federation. Players are responsible to check this for themselves. If the organization is notified of an offense of this rule, the players will receive Forfait (= Walk Over non excusé) in all tournaments of this week.

4. TOURNAMENT FORMAT

- 4.1. In the group phase matches are played to 2 winning sets first to 6, with 3rd set super tie-break
- 4.2. In the final draw (all matches played on 1 day) all matches in 1/8, ¼ and ½ final are played in the same format as the groups. The final is played to 2 winning sets first to 6, with a normal 3rd set to 6 (tie-break at 6/6).

5. COMPOSITION OF THE GROUPS AND FINAL DRAW

- 5.1. The supervisor representing Padel Belgium will make the groups draw in connection with the club tournament director.
- 5.2. The registered teams are divided onto groups of 4 or 3 teams.
- 5.3. The teams with the highest teamrankings are the seeds of each group. Example for 16 teams (4 groups of 4): The first 4 ranked teams in the BPT ranking* (teamranking) will be respectively seeds of the 1st, 2nd, 3rd and 4th groups. The other teams are placed by draw. If there is an ex aequo of the teamranking, toss will decide.
* For the first tournament the ranking position of the AFP and Padel Tour ranking Tennis Vlaanderen will be taken into account. If a player has a ranking in both, AFP and TV, the highest ranking is taken into account
- 5.4. The ranking of the groups is determined as follows:
 - ✓ Match winners receive 2 points, match losers receive 0 points
 - ✓ In case of ex aequo the final group ranking is determined based on:
 - Ex aequo between 2 teams
Match between those 2 teams is decisive
 - Ex aequo between 3 teams
Only the match scores between those 3 teams are taken into account to define the ranking. The 3 teams are ranked based on the best saldo win-loss of the sets. If this saldo is equal, the best saldo of

win-loss games is taken into account. If an ex aequo remains, the number of lost games is considered. If there is no distinction between the 3 teams, the lot decides. If at one point, an ex aequo between 2 teams remains, the rules for “ex aequo between 2 teams” is applied.

5.5. The best 2 teams of each group qualify for the final draw

5.6. The supervisor representing Padel Belgium makes the final draw with the club tournament director.

5.7. The number of seeds is determined by the number of participants in the final draw. There is one seed for every 4 teams in the final draw. The seeds are the group winners with the best teamrankings. The other pairs will be placed by draw taking into account that a group winner always plays against a nr 2 team, or has a bye in the first round.

5.8. After the draw is published, the following must be applied:

- ✓ A team (both players) that is not available on the planned round robin moment can:
 - Unregister from the tournament (on the premise that the team is in a group of 4 teams)
 - Be replaced* by a reserve team
 - If the team is in a group of 3, and there is no replacement, this will result in a Forfait (non excusé) or a Walk-Over (excusé) depending on the reason
- ✓ A team in which only 1 player is available can:
 - Replace* 1 player

* The replacement cannot disturb the seeds of each group

- ✓ The following is not allowed
 - 2 teams may not split up and form new teams
 - Teams cannot be switched between groups
 - A team can not be moved from a group of 4 to a group of 3
 - No changes can be made that disturb the seeds of each group

6. BELGIAN PADEL TOUR RANKING

6.1. After the first tournament a Belgian Padel Tour ranking for men and for women will be published.

6.2. After each tournament, the rankings will be updated and published.

6.3. Ranking points will be awarded for the Belgian Padel Tour Ranking according to the stage reached in the competition. These points are independent of the AFP and Tennis Vlaanderen rankings.

6.4. COVID 19 adjustment: Due to the limited number of tournaments in 2020 (4 instead of 6), the Belgian Padel Tour Ranking will be determined as follows. The ranking is composed of the “weighted average” of the rankings points of the 2 best tournament results. In case 2 or more tournaments are played, the average of the best 2 ranking points will be taken to determine the ranking. In case only 1 tournament was played, the weighted average is determined by the earned ranking points divided by 1,35.

6.5. In case of ex aequo in the ranking, the following criteria are used in the following order (if 1 criterion is decisive, the next criteria are not taken into account)

6.5.1. #Win - #loss matches

6.5.2. #Win - #loss sets

6.5.3. #Win - #loss games

6.6. Players who participate in more than 4 series (these 4 series can be in maximum 2 tournaments) in the same week (date of the final determines the week number) will not receive any ranking points for this week.

6.7. When a team Forfaits during the groups or final draw, those players do not receive ranking points for the Belgian Padel Tour. When a team gives a Walk Over (legitimized/excusé) ranking points are given.
